M. ANAS

VFX ARTIST · 3D CGI ARTIST · FILMMAKER

Available for Work

visiospectra786@gmail.com +92 317 5251823 Muzaffarabad, Azad Kashmir

ABOUT ME

Creative, detail-focused VFX Artist and Graphic Designer with strong expertise in 3D CGI, compositing and filmmaking. I tell stories visually, from branding and user experience to cinematic effects and motion graphics. I work across the Adobe Creative Suite, Blender, DaVinci Resolve and EmberGen, and I have been delivering work for international clients since 2020. My aim is to craft visuals that hold an audience and get results.

CORE EXPERTISE

3D CGI
Modeling, lighting and rendering in Blender

Visual Effects
Compositing and simulations with After Effects and EmberGen

Filmmaking
Editing, grading and storytelling in Premiere Pro and DaVinci

Motion Graphics
Titles, animated branding and social content

Branding & Design
Visual identity and digital design for clients

Web & UI
Interface and web design with Adobe XD
